

Andrew Berchtold dominated the Bobcat basketball court in the late '90s. Graduating in 1998, Andrew was the captain of the Seneca basketball team in both his junior and senior years, and top point guard in Erie County, named to the All-County basketball team in years 1997 and '98. His leadership and skills on the court carried on with him as he played for the Penn State Behrend basketball team in his first two years there. Andrew still lives in the Wattsburg School District with his wife Leanne. They have two sons, Brandon and Sean and a daughter Karlee, who is a top volleyball player for Clarion State.
