

Eva Daszynicz brought a new style of entertainment to halftime, as the captain of the 1971 Wattsburg Majorette Team. Her athletic ability and tall stature gave Eva that special look of a poised dancer. Not only did she, along with her team perform at every home game for Wattsburg, but their grueling schedule also included all the school's pep rallies, parades throughout Erie County and many of the local fall fairs, as well as other events that were scheduled. Before switching to twirling in 1970, Eva was a member of the woodwind section of the Wattsburg marching band. Eva was one of those students who made the scholastic side of school look easy, as she maintained her place on the school honor roll throughout high-school and was the editor of the 1971 yearbook. After highschool, she went on to business and was an extremely successful, highly sought-after administrative support person, working for some of the top commercial real estate firms in Orlando and Los Angeles. Eva dated and married 1972 graduate Mark Eller in 1975. Now living in the Orlando Florida area, Eva is the proud mother of sons Jared and Tim and the ever-grateful Grandma of Asher, Spencer and their baby sister, Rae.
